

BITCHES IN SEASON

Bitches in season are permitted to participate in **agility and obedience/rally class** and **agility and obedience/rally seminars** if they are wearing 'panties'.

The following guidelines are to be implemented for bitches in season:

- They must have panties on and the instructor should be notified prior to class.
- There is **NO** crating in the public crates. Bitches should be crated in your vehicle or in your own crate.
- Bitches in **STANDING HEAT** should be left at home.
- Individuals with FOB's are **NOT** permitted to bring their bitches in season for open training.

This policy currently only applies to classes (obedience, rally, agility) and seminars (obedience, rally, agility).
