## INTRODUCTION

Welcome to the Dauphin Dog Annual! This is our opportunity to share the accomplishments of our teams and to celebrate the lives of our beloved companions no longer with us. Please enjoy this yearly opportunity to celebrate everyone's accomplishments for 2025!

We are all on this journey together. The Barker staff would love to hear ideas from you for enhancing the next yearbook. Please send your ideas to [theddtcbarker@gmail.com](mailto:theddtcbarker@gmail.com).

Laila is a tomboy in disguise! She tells us that she's in charge! She loves to do anything (except water!). She has great energy and loves to learn new things!

2025 has been a rough year for us, but we're looking forward to 2026 to see what it brings!

Eddie has been on the injured reserve list since November, 2024 – a rough 26 months for us. Our hope that he would return to both agility and rally after a short rehab period just didn't happen. He's had 2 major surgeries on his left side - an elbow and knee. I thank Chris Eicher for encouraging me to start scent work to keep his mind active. We have worked and learned a great deal over the past two years.

I'd like to share the statement of the rehabilitation vet approving him for trials. "...non-impact, low intensity activities which provide valuable mental stimulation." She added, "...encouraged as part of his long-term management for maintaining comfort, strength and quality of life." And scentwork is fun!

2025 was a journey for both of us. At our level it takes longer to achieve our title goals. We were in it for the loooong game. We played more nose-work this year. We struggled with over-arousal in the game early in her Elite journey, but learned some tools to help. In August she earned a 1<sup>st</sup> Place overall and an overall Pronounced (the judges thought you and your dog worked as a team in all 4 searches), which is very difficult. We are plugging away at her AKC AGCH, only needing premier Qs!

**OWNED & LOVED BY AMY BERGSTROM**

Hello All! My name is Archie and I am 4 yrs old. My mom, Amy Bergstrom, is a new member and is looking forward to attending more activities at the club. You may have seen us at a recent Obedience Trial where we finished our BN. We are planning to attend obedience matches as we move towards completing our CD. We are slowly working on our SWE Elites and we have begun tracking again. I enjoy meeting new friends and their humans so say "Hi" when you see us next, but beware, I'm a licker. 🤔

# **RHYS & PIPPA**

**Rhys and Pippa both earned their first PACH in 2025. What a thrill! We extend a huge thanks to our trainers that got us this far - Colleen Mrakovich, Jan Brunner, & Lori Napoli.**

**Gratefully, Cathy Farr**

**My Terv girl, Tawnee, achieved a Grand Champion of Record and earned her OA and OAJ this past year despite our limited time for competing. I'm so proud!**

# GERTIE & JACK

Gertie, Jack and I trialed in 53 Rally trials, 10 Obedience Trials and a couple of Fast CAT trials in Maine, Maryland and Pennsylvania.

Our hard work paid off – Gertie earned RACH 6 and 7, Rally Master 11-16 and 115 perfect scores. She was High Combined 26 times and and Hight Triple score 26 times. She was the Top Rally Dog of all breeds in 2024. In 2025 she was the top scoring Australian Shepherd in Rally. All of this culminated to her competition in the AKC RACH Invitational in Florida. Whew!

Jack earned his Open title in Obedience, RACH 4-6 in rally and FCAT in Fast CAT. Jack earned his Rally Master 8-13, notched 94 perfect scores, was High Combined 3 times and High Triple Score five times. Good boy! We are announcing the debut of our newest team member – Jelly Blue Eyes!

We are looking forward to an amazing 2026.
